

9th ANNUAL GOGEOMATICS CANADA BACK TO SCHOOL SOCIALS

WHY SPONSOR A SOCIAL?

- Promote your brand to Canada's current and next generation of geospatial professionals
- Showcase your organization as a relevant and active member of Canada's geomatics sector
- Spread the word about your products, services, and events
- Show your support for the Canadian geospatial community
- Welcome the newest members of the Canadian geospatial community to our sector

THE GOGEOMATICS NETWORK

We are getting together in person in September to welcome the next generation of geomatics professionals to the sector. In preparation for the 9th annual series of coast-to-coast Back to School Socials, GoGeomatics has prepared this sponsorship information brochure.

Since 2013, it has been the generous support of the Canadian geospatial community that has allowed us to host these events where we network with working professionals and welcome new and returning students to our sector.

Our goal is to help them achieve success in their chosen careers and provide networking opportunities. We host regular free networking events across the country and your sponsorship allows us to do that.

Please consider being a national or city-level sponsor of these popular events in the Canadian geomatics community. Together we empower our sector.

YOUR BRAND'S SUPPORT HIGHLIGHTED ON OUR CHANNELS:

SPONSORSHIP BENEFIT PACKAGES 2024-25

Geomatics has always been a big part of Canada’s history. We are asking you to consider supporting our socials for the 2024-25 season by becoming a national or city-level sponsor. For our Back-to-School Socials, your sponsorship covers the cost of the event including the planning, promotion, food, t-shirts, and more. The value of your support continues through the social season as we host events from September to May.

GoGeomatics Canada is the most visible and effective medium for your brand. Let’s work together to make our sector stronger by supporting our youth and the next generation of leaders. These events are where Canada’s leading brands share their enthusiasm and passion with Canada’s largest network of “geo” professionals in Canada. Sponsorship opportunities close on August 30th. This is an opportunity to showcase your organization as a leader in Canada’s geospatial community and raise your brand profile.

All prices are in Canadian dollars. Taxes are extra.

| | City \$500 per city | National \$2000 all 7 socials |
|--|---------------------------|-------------------------------------|
