Advertise with GoGeomatics Canada

Reach Canada's largest geospatial audience through GoGeomatics, with over **50,000 monthly impressions** and a highly engaged community of **professionals, executives, and students**. From online magazine banners and newsletter ads to direct email campaigns and sponsored content, our tailored advertising solutions help you connect with the geomatics sector and showcase your brand.

About GoGeomatics Canada

GoGeomatics Canada is the leading gateway connecting Canada's geomatics and geospatial community. We publish one of the most popular digital magazines in the industry, with over 2,200 featured articles and a reach of more than 5,000 subscribers through the Canadian Spatial Times newsletter.

GoGeomatics has established itself as Canada's go-to platform, sharing industry insights and announcements, promoting events and job opportunities, and driving collaboration and business growth in the geospatial sector.

Our events, including **Geolgnite** and the **Geomatics Expo**, attract a diverse audience of public servants, private sector leaders, researchers, and students, making them the most prominent gatherings in the Canadian geospatial industry.

Our online magazine covers topics related to surveying, engineering, GIS, BIM, digital twin, earth observation, mapping, and lidar. Based in Ottawa, GoGeomatics is the largest and most popular geospatial media company in Canada.

“GoGeomatics is your gateway into the Canadian geospatial marketplace”

- Jonathan Murphy, CEO GoGeomatics

Create and Send a Successful Email Campaign

Avoid SPAM

- Verify that your HTML coding adheres to standards.
- Strike a balance between text and images
- Double-check your test emails to ensure the links work.

Carefully consider your subject line

- Craft a concise, relevant subject line that captures the essence of your content.
- Include your company name in the subject line.
- Avoid using words like “test,” “free,” “help,” “reminder,” or excessive capitalization or exclamation points.

Increase your click-through rate

- Incorporate engaging and pertinent images.
- Integrate social media share tags into your emails.
- Add links, as they tend to result in a higher average click-through rate.

E-blast Campaign Process

- With your HTML ad file and chosen subject line, we create an e-blast test, and send it to you for final approval.
- All changes must be requested at least two business days before the scheduled date.
- The scheduled date is determined collaboratively by GoGeomatics and the client to ensure optimal timing and minimize opportunities for unsubscribes.
- We supply a report on your e-blast upon request.

Deadlines

- Content due two weeks before scheduled date.
- Any required changes must be submitted within two business days following the sending of the test email.

Technical

- Submit your MailChimp email template
<https://mailchimp.com/help/share-a-template/>

Email: info@gogeomatics.ca • Magazine: gogeomatics.ca
